Iran: Economic Research Assistants

Project Title	Iran: Economic Research Assistants
Project Summary	Research and report on economic, energy, trade, and financial trends in Iran, using Farsi-language and Iran-based websites, social media, and other available open sources.
Country	United Arab Emirates

Project Description

The Iran Regional Presence Office (IRPO) in Dubai conducts in-depth analysis of political, economic, and social developments within Iran. We will be hiring up to two economic Virtual Interns to conduct research on Iranian economic and commercial trends.

Interns would be assigned to both long-term research projects (spend several weeks researching a single topic and provide a comprehensive report) and short-term assignments on specific items. We are only interested in Iran-based sources, and Farsi language proficiency is required.
